Mentalization Based Treatment - Children

As one of the leading group practices that uses mentalization based treatment, Brooklyn Minds will be hosting members of the Anna Freud Centre to train members of the United States in Mentalization Based Treatment for Children. It is an honor to be a part of such a big movement in helping children suffering with mental health issues.

The Anna Freud National Centre for Children and Families is child mental health research, training, and treatment center located in London. Several of the Brooklyn Minds employees have traveled to the Anna Freud Centre to complete various trainings to further align ourselves with their evidenced-based treatments.
